Janitorial Service

SUBMITTAL REQUIREMENTS

To be completed by proposed vendor

BID SUBMITTAL GUIDELINES

Documentation should be as brief and concise as possible, providing relevant information and excluding marketing materials. Bid Responses are limited to 15 pages (8.5x11) single sided and will include typed text, graphics, charts and photographs. Charts and Exhibits may be a larger size but must be folded to the standard size when submitted. Each bid must include all of the following content in each of the following sections:

A. Table of Contents: Describe the contents of the proposal (one page)

B. Vendor Information Page: An individual authorized to bind the consultant's firm must sign the vendor information page. Indicate the address, e-mail and telephone number of the contact person for this assignment. (This does not count against your total of 15 pages)

C. Summarize key elements of the proposal as described below:
    1. Provide all certifications and associations that bidder is a member.
    2. The NTTA requires a company that specializes in facilities services including commercial cleaning services. In your submittal, include a detailed description of the services that are performed by the company and/or preprinted material, website and other documentation that is relevant to this bid.
    3. The company shall provide a properly sized janitorial staff for evening / night cleaning services and full-time day porters during normal business hours. Bidders must demonstrate that they have the resources and capability to provide cleaning services per the bid document.
    4. Bidders must demonstrate that they have been in business providing commercial janitorial cleaning services for a minimum of five (5) years.
    5. Bidders must demonstrate their plan to meet the APPA level one service for areas designated as level one and level two service for areas designated as level two in Section N of the specifications. Please include support documentation.

D. Company information:
    1. Provide a description of your company, including a description of all services provided in relation to this contract.
    2. Describe what your local organization looks like using an organization chart and written description describing management structure. Include such information as owners' names, upper management structure and names.
    3. Discuss your company's mission statement and commitment to quality.
    4. Where is your company headquarters located?
    5. If headquarters are not in the Dallas / Fort Worth area describe the relation of your local office to corporate office, how it operates and how you stay in contact with your corporate headquarters.

E. References:

1. Bidder shall have recent, proven experience in providing janitorial services on properties of similar size and function as specified in the RFB.
2. Provide the Company name, address, contact person with title, e-mail and telephone number for each property.
3. Bidders must submit with their bid a list of at least three (3) current or past (within three (3) years) jobs/contracts in the Public and/or Private Sectors with a minimum of 168,000 square feet of commercial, multi-tenant office space. References shall include dates and length of service at each reference, property size, scope of work performed, list the number of staff by title providing services for each job/contract. Submitted references shall not include work performed under current or previous contracts with NTTA.

F. Staff Information:

1. Provide the names and resumes of key personnel assigned to this contract. Include period of time working in janitorial services and the training received specific to this training with the submission of this RFB.

G. Other Information Required:

1. Provide a detailed description of how you would use green cleaning techniques.
2. Provide model number and description of the vacuum and walk-behind cleaner equipment being proposed.

H. Please describe your current process or methodology for the following:

1. Provide information on the employee training program, and proof that all personnel are licensed to perform required work.
2. Bidders have the capability and will supply criminal background checks and current rapid nine panel drug screening on all employees and post drug testing for incidents on the property while performing this contract. The drug and background screening must have been performed within a maximum of one year prior to the start date of this agreement.
3. Provide information on your Hazard Communication Plan and training for employees.
