3.0 PROOF OF HOURS: FINGERPRINT TIME CLOCK & POLICE DESK SIGN-IN

COLLEGE CONTRACT REQUIREMENT:

The contract requires an on-site biometric fingerprint time clock recording employee attendance, date, and hours worked. Every custodial employee must also physically sign a paper logbook on arrival and departure. Collin College Police Officers and Facilities staff have access to view attendance at any time. A certified printed timesheet of all hours worked must accompany each monthly bill.

HWB OPERATIONAL COMPLIANCE & AUDIT DEFENSE:

HWB deploys a dedicated cellular fingerprint time clock at the campus central custodial office. Every technician clocks in via fingerprint and physically signs the Collin College Police desk logbook at the beginning and end of each shift (10:00 PM and 6:30 AM for the night shift; 8:00 AM and 4:30 PM for the day shift). Certified digital audit printouts are appended to every monthly invoice for Line 41, providing 100% legal attendance proof and insulating Bosanna from attendance deductions.
